

## LIFE RENEWED QUALITY OF LIFE GRANT

Life Renewed Mission is the heart of the Life Renewed organization. In these economic times, when many non-profits are fighting for their survival, our mission is to make our Life Renewed Quality of Life™ Assessment Software available to non-profits that bring a better quality of life to others through our grant. Below are the grant guidelines. There is no deadline for submission.

### GRANT GUIDELINES

Life Renewed is a non-profit, tax exempt organization that believes every person's life has a plan and a purpose. Keeping with that belief, we have created programs that transform lives and change communities. Our Quality of Life Grant includes the use of our Life Renewed Quality of Life™ Assessment Software, and Life Coaching Program all at no cost for the life of the organization.

Life Renewed supports causes that serve to improve the quality of life for people in need. Grants are only awarded to organizations or programs that are responsibly managed, employ appropriate fiscal accounting procedures, and are classified as 501(c)(3) by the Internal Revenue Service.

The Life Renewed Quality of Life™ Assessment can be used by organizations as part of the client intake and volunteer screening procedure for your program. It has been designed for ages 18 and older and is not gender specific.

The Life Renewed assessment assesses these dimensions: Physical health, physical limitations, body pain, energy level, health behaviors, general health perceptions, emotional/mental health, emotional limitations, social functioning, social compatibility, life experiences, life purpose index, support system, stress index, spiritual beliefs, and an individual's depression level.
